Sd/-
CHIEF ADMINISTRATIVE OFFICER (Sr.Grade)

Annexure-I

i. Price structure:

a) The tenderer shall quote in the given format only for the complete requirement of services / Operation and maintenance of Cold Storage cum Gene Bank Plant as one single unit operated by ONE TEAM of workers.

b) The rates and prices quoted shall be in Indian Rupees only.

c) All duties, taxes (GST) and levies payable by the contractor under the contract need to be indicated separately.

d) The rates and prices quoted by the contractor shall remain firm and fixed during the currency of the contract and shall not be subject to variation on any account, whatsoever, including statutory variations, if any.

e) while quoting the rates, firms must keep in mind number of required manpower, the present minimum wages as applicable to Highly Skilled and Skilled category of workers as notified from time to time by Labour commissioner, Ministry of Labour, Govt. of India, possible increases in VDA, provision for reliever, scope of work etc., Under service charges, provision has to be for all overheads like uniform, ID, provision for future increases in VDA etc., The firms should not quote freak rates and end up in providing poor services as in such case the contract will be terminated.

ii. Security Performance: To ensure due performance of the contract, performance security is to be furnished by the successful bidder for an amount of 3% of the value of the services quoted per annum in the form of Account payee Demand draft, fixed deposit receipt, Bankers cheque or Bank Guarantee in favour of the Director, IIHR, Bangalore payable at Bangalore to be furnished within 21 days from the date of issue of work order.

iii. Receipt of result and terms of payment:

a) Payment term for providing required services (as and if applicable) :-

The paying authority shall release the monthly payment to the contractor as due in terms of the contract, within fifteen working days of receipt of contractor's invoice, ICAR-IIHR's receipt certificate and other accompanying documents, provided the same are in order.

iv. PAYING AUTHORITY: THE DIRECTOR, ICAR- IIHR, HESSARAGHATTA LAKE POST, BANGALORE- 560 089.

v. Liquidated Damage Clause:

If any time during the performance of the contract, the contractor encounters conditions hindering timely maintenance of the services, the contractor shall promptly inform the ICAR-IIHR in writing the fact of the delay and the likely duration of the same. After receipt of contractor's communication, the ICAR-IIHR shall decide as to whether to cancel the contract for the maintenance / operation portion after the existing period. If the contractor fails to maintain the Cold Storage cum Gene Bank Plant and equipment and / or perform the services within the contractual period for reasons other than circumstances beyond

contractor's control (which will be determined by ICAR-IIHR) and the ICAR-IIHR extends the delivery period, the ICAR-IIHR will also deduct from the contract price, as liquidated damages, a sum equivalent to 0.5% (half per cent) of the delivered price of the delayed services or unperformed services for each week of delay or part thereof until actual performance. The maximum limit of such deduction will, however, be 5% (Five per cent) of the contract price of the delayed services. Further, during such delayed period of performance, the contractor shall not be entitled to any increase in price and cost, whatsoever, on any ground. However, the ICAR-IIHR shall be entitled to the benefit of any decrease in price and cost on any ground, whatsoever, of the services, contractor's during the AMC period.

vi) Dispute Resolution Mechanism

If any dispute or difference arises between the ICAR-IIHR and the contractor relating to any matter connected with the firm, the parties shall make every effort to resolve the same amicably by mutual discussions. However, if the parties fail to resolve the dispute or differences by such mutual discussion within 30 days, either the Second Party or the contractor may give notice to the other party of its intention to refer the same to arbitration. The arbitration shall commence thereafter. The arbitration shall be conducted by a sole arbitrator, who will be appointed by the Secretary, ICAR and the procedure to be followed in this respect will be as per the Indian Arbitration and Conciliation Act, 1996. The venue of the arbitration shall be the place from where the contract is issued.

1. Please furnish a certified copy of your latest ITCC (INCOME TAX CLEARANCE CERTIFICATE).
2. Please indicate if you are currently carrying out any other works including AMC with any other Govt. organization and if registered, furnish all relevant details.
3. Please state whether business dealings with you presently stand banned by any Government organization and, if so, furnish relevant details.
4. The First Party shall at all times indemnify the Second Party, at no cost to the Second Party, against all third party claims of infringement of patent, trademark or industrial design rights arising from the use of the services or any part thereof, with respect to the services quoted by the First Party in its offer.
5. The contract shall be governed by the laws of India and interpreted in accordance with such laws.
6. The quotation / offer shall remain valid for acceptance for a period of Six Month. However, the rate contract will come into force with effect from the date of issue of approval letter.
7. Notwithstanding the above, the Second Party reserves the right to accept or reject any quotation or annul the tendering process and reject all quotations at any time prior to award of the contract, without assigning any reason, whatsoever, and without incurring any liability or obligation, whatsoever, to the affected tenderer or tenderers.

ANNEXURE No. 1 B

A) MAINTENANCE SCHEDULE:

A log book with the following maintenance activities shall be maintained.

(a) **Daily Maintenance:** External cleaning of AC Plant & Panels, Other Refrigeration Panel Rooms. Checking of Refrigerant LP/HP/OP/ of Gas , Oil Lubricant of Cold Storage cum Gene Bank Plant. Leakage of oil water and lubricant of Cold Storage externally etc.,

(b) Weekly Maintenance.

All the above jobs, besides, thorough cleaning of the AC Plant Room and panels in run by using blower, Leakage checking of Oil and Refrigerant of AC Plant and Other Refrigeration Lines in Rooms

(c) Monthly Reports:

Submitting the Refrigerant, Oil consumption details, BESCOM power down-time, Operation log Book and Repair/Service history book of Cold Storage Plant and Equipment.

Technical Terms and Conditions:

1 The Second party will hand over the plant and machinery as indicated in schedule which is at present under the custody of ICAR-IIHR Bangalore, to the First party by obtaining proper receipt from the First party.

2 The First party agrees that it will maintain the equipments with due diligence and care and in proper condition. In case there is any failure or break down of equipment, the First party should make necessary arrangement for re-commissioning the plant and machinery within 12 hours. Further, the first party agrees that the system would be maintained properly ensuring

un-interrupted plant maintenance with the help of stand-by Cold Storage equipment and ensure immediate/quick repair whenever stand-by spares are not available.

3 It is agreed between the parties that validity of duration of all break-down/ failure or restoration period / requirement and all other related matters of the contract/equipment's etc., would be decided by the Director, ICAR- IIHR or his nominee.

4 The first party undertakes that it will utilize electricity and fuel properly and diligently without misuse, abuse or waste. In case of misuse of the Refrigerant and oils, the first party would be penalized as per instructions of the Director ICAR- IIHR which shall be final and binding on the First Party and the First Party shall accept the decision of the Director, ICAR- IIHR without demur.

5 It is agreed between parties that inspection reports submitted by the first party must be certified by the second party.

6 Log books and history books have to be maintained by the first party for all the equipment individually as required by the second party.

7 In case of any equipment required to be taken out from ICAR- IIHR Hessaraghatta premises for repairs, the necessary permission has to be taken by the first party.

8 The staff engaged by the first party would be subjected to the security and discipline rules existing at ICAR- IIHR, Hessaraghatta.

9 While handing over the equipment back to ICAR- IIHR, after the expiry of contract period, the first party shall ensure that all the plant, machinery, equipment & installation are in good working condition except for the normal wear and tear.

10 During the course of contract period, if any change of layout is considered necessary by the first party which is conducive for the operational procedure. The First party undertakes to carry out the same on its own accord after obtaining approval for ICAR- IIHR. In case any modifications are done, the same would be done by the first party on chargeable basis.

11 The First party would provide maintenance schedule to second party which has to be approved by IIHR.

12 During the contract period, the first party would not cause any damage to the installation / equipment/building and or the connected accessories which are in their custody and which are the property of the ICAR- IIHR. In case it is done; the first party would be penalized accordingly as decided by the Director ICAR- IIHR.

13 The first party will ensure the minimum staff as indicated in clause no.4 of page No.6. However, the firm is responsible for the whole day including the period from 10.00 PM to 6.00AM. on all days during the contract period. If the staff is absent, there will be deduction of wages proportionally for the period of absence. Refrigeration supervisor will be present at site whenever required by the second party. The First party agrees to make good any loss or damage, caused to the plant equipment etc. on account of such absence of the staff. The extent and cost of such damage/loss shall be decided by ICAR- IIHR.

14 If the second party, after considering the running condition and maintenance of the plant by the first party, is not satisfied and that on account of such maintenance of the plant by the first party the plant has struck work or break down for any period, in such an event the second party is entitled to invoke penalty clause and impose a penalty of 0.5% percent of the contract value per week of the delay till recommissioning of the plant subject to maximum penalty of 5% of the total value of the contract. The reasonable time required for maintenance will be decided by the Director ICAR- IIHR, Hessaraghatta.

15 However the Second Party reserves the right to terminate this contract at any time without assigning any reason what so ever by giving **one month's notice to First party.**

16 The testing/replacement of part in all the systems as per the requirement for proper functioning and the quality of materials will be as per BIS/ ISI specifications/codes/standards. However, if the Director, ICAR- IIHR, feels that the parts have been damaged due to negligence/ faulty operation or any wilful act by the employees of First party, the same will be replaced at the cost & risk of First party.

17 It will be the responsibility of the First party to maintain all plant and equipment in the best condition.

18 The First party will give an agreed procedure for attending to emergencies. This will be subject to revision/changes by the Director ICAR- IIHR, Hesaraghatta

19 List of spare parts required for repairs/replacements will be prepared jointly by the First party -----and second party.

20 The second party, ICAR- IIHR is not responsible either to the first party or its workman for any injuries, death or any kind of loss occurred during the course of operation and maintenance of the cold storage plant and equipment installation.

21 The second party is at liberty to rescind/cancel/terminate this contract before the expiry of the stipulated time under the contract by issue of one month's notice without assigning any reasons. Once the contract is rescinded the second party will not be responsible for payment of any compensation or damage to the First party.

22 The First party shall be responsible for the financial liability on account of its workers/employees and shall implement all labour laws or other statutory requirements while carrying out the work.

23 The First party shall be clearly stating in the firms/ company's letter head, the amount of wages (Gross pay, Net pay) to be paid to the operator and helper along with details of Employee and Employer's share of EPF and ESI. The first party has to ensure the minimum wages notified by the Central labour commissioner from time to time meant for this category of workers.

24 The First party shall have insurance coverage to all the personnel engaged, against all risks including against Refrigeration / electrical/ mechanical accidents while performing Operation and Maintenance Works. The first party is solely and wholly responsible for any accident claims, legal proceedings, compensations, hospital expenses, police complaints etc., in case of any mishaps, accidents or any untoward incidents & injuries. The contractor or his staff are not eligible for any compensation from ICAR- IIHR in this regard. Accident compensation shall be the sole liability of the contractor only. In case Institute is made to bear the compensation, the Institute reserves its right to recover the same from the amount due to the First Party.

25 The First party shall submit the following documents along with the monthly bill raised for the previous month's work done.

a. Duly certified attendance sheet alongwith verification of workers present during the month

b. Duty rosters, weekly off, 3 (three) National Holidays etc.

c. Photocopy of aquittance roll submitted by the firm should be certified by the firm stating clearly the amount of EPF and ESIC contribution reflected against each employee's name has actually been credited by the firm in respective a/c. Workers deployed should be provided with EPF & ESIC **numbers within one month under intimation to IIHR.**

- d. Log books and history sheets maintained by the first party for the all equipments individually and got verified every month as required by second party.
- e. Refrigerant and Oil consumption details.
- f. AC Plant down time details.
- g. Refrigerant ,Oil & lubricants consumption details

26 Notwithstanding any of the above, in the event of any dispute of difference arising under these condition or any other condition of contract, the same shall be referred to the Sole Arbitrator or any officer appointed to be the Arbitrator by the Secretary, Indian Council of Agricultural Research, New Delhi.

27 **Arbitration:** Subject to aforesaid, the arbitration and thereof for the time being in force shall be deemed to apply to the arbitration proceedings under this clause. Work under the contract shall continue during the arbitration proceeding and no payment due to or payable to the first party shall be with held on account of such proceedings. The venue of arbitration shall be any place in Bengaluru which the Arbitrator at his discretion may determine.

This work and all legal disputes are subject to jurisdiction of courts in Bangalore.

CHIEF ADMINISTRATIVE OFFICER (Sr.Grade)

ANNEXURE-II

INSTRUCTIONS FOR ONLINE BID SUBMISSION:

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (URL: <http://eprocure.gov.in>). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>

REGISTRATION:

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “Click here to Enroll”. Enrolment on the CPP Portal is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their userID / password and the password of the DSC / eToken.

SEARCHING FOR TENDER DOCUMENTS:

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS /

e-mail in case there is any corrigendum issued to the tender document.

- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS:

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents – including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black and white option.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS:

- 1) Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) A standard BoQ format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BoQ file, open it and complete the coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- 4) The serve time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 5) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed

by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done.

- 6) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 7) Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 8) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS:

- 1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 233 7315.
